

# Ashaba Faridah

# Who is Ashaba Faridah?

- Ashaba Faridah is a pilot in Uganda, East Africa.
- She is the Founder and the Chief Executive Officer of Bambino Life Foundation, an organization that focuses on promoting girl child education & empowerment, creating awareness about children living with disabilities and providing a sustainable environment to children living in orphanages.
- In 2018 she became the Director of STEM Queens Uganda, an initiative that encourages young girls to participate in science, technology, engineering and mathematics. Her objective behind joining the initiative is to empower young girls mentally, prepare them to step into the male dominating world with confidence and to bring more significance to the idea of inclusion in STEM roles.
- Ashaba was also selected to be 1 of the 9 women innovators to represent the UN women “Impossible to Ignore” campaign that launched the she innovates global program on international womens' day 2019

# TEDxNyarugenge 2019

## Girls need relatable role models.

In this talk, Ashaba talks about how she grew up from a single mother who had an expensive dream any mother living in Africa can have “Educating her daughter to become a pilot” but yes, Ashaba become the expensive dream come true by becoming a pilot.
